

HOMESTAY PROGRAM

Homestay Hosts are a vital part of our Volunteer Team which works under the guidance of professional staff and a dedicated board of directors.

As an official Homestay Host you are asked to provide:

- A safe and supportive 'home away from home' for 1 or more students from the evening of June 11 through to the morning of June 25, 2023.
- Transportation to and from the Town Centre Hotel on June 11th and 25th.
- Daily transportation to and from the PR Rec Centre
- OR detailed instructions for students on the nearest bus route.
- Breakfast daily. (Other meals will be provided by PRISMA.)

PERKS! Aside from the benefits of welcoming, supporting and forming friendships with talented students from around the world, the following are benefits gratefully offered to hosts by PRISMA: 2 festival passes, 2 t-shirts and invitations to the wrap-up party. We truly value you!
